Site Boards

Full colour site boards are a must for all building trades. These waterproof, eye catching boards are displayed outside the property you are working on and are a positive form of advertising for you, showing residents and business that you are working in that area. Printed in full colour on self adhesive vinyl and mounted onto 4mm Corex (corrugated plastic), site boards can be produced to any size up to A0 (1189x841mm).

Eyecatching - Weatherproof - Lightweight - Effective On-Site Advertising
